The Yalla Café

To Whom It May Concern:

We have recently had the opportunity to work with Michel at Yalla Café. The Yalla Café provided a combination of Lebanese appetizers, salads, and hot dishes to cater for 60 people at our recent Staff Christmas Party.

We found Michel to be very accommodating and helpful with the organization and food selections. He offered his recommendations and samples of a variety of dishes, to guide us in our choices.

The food was delivered and set-up on time, and presented in a decorative manner. All of the food was homemade, of excellent quality, and the portions were generous.

Michel provided all of the food at a very competitive price. He returned later in the evening to clear away his serving trays and dishes.

Michel was a cheerful, polite, patient, and friendly person to work with.

We would highly recommend the Yalla Café for the catering requirements to any organization contemplating a similar event.

Yours sincerely,

Mrs. M. Leduc
Vice Principal
